## Entry Test Instructions:

**\*You must remember your registered email ID and password to log into your application portal.**

- The Entry Test can be attempted only once.
- Carefully select your Intermediate (HSC) or equivalent group of study (Pre-Engineering/Pre-Medical/Computer Science-General/Commerce) or suitable discipline.
- Your Entry Test sections and questions will be based on your selected prerequisite study group.
- The test will have 100 questions and a 60-minute time limit.
- There is no negative marking.
- Your answers are saved by clicking the 'Next' button.
- You will not have the option to review, return to, or change your answers after clicking 'Next'. Ensure you click 'Next' only when you are ready to save your final answer.
- Once the test starts, do not minimize, refresh, close the browser screen, or navigate away by clicking the 'Back' browser button. This will take you out of the test.
- In case of any interruption during your exam (due to electricity or network error), your completed answers will be automatically saved.
- You can resume your attempt after the interruption from where you left off by logging into the test again, only during your allocated time slot.
- Applicants for the BS Architecture program will undergo a special entry test, a drawing test, and an interview conducted by the SSUET Architecture Department.
- Read all instructions on the entry test dashboard carefully before starting the test.
